The Diabetes Education Empowerment Program (DEEP) is a free program accredited by the National American Association of Diabetes Educators and managed by certified educators in diabetes. This six-week class teaches you how to manage diabetes through lifestyle changes including better nutrition and physical activity. The goal of the DEEP program is to empower you to take charge of your diabetes, avoid complications from the disease and improve self-management skills.

Who can attend?

Anyone with type 2 diabetes. Individuals with prediabetes are also welcome. Attendees must be age 18 or older.

How often does this class meet?

Six-week program, once a week (2-hour classes)
