New Volunteer Nurse Coordinator in West Region

Lacey Downs has been with BayCare for over seven years and her job has multiple titles. Her official title is clinical education specialist, and she's also the new volunteer nurse coordinator and the nursing informatics educator for the Central Education department. Lacey's main responsibilities are teaching new hire orientation for Nursing and Travel Nurse Orientation.

Volunteers Needed

Perhaps you know someone who'd like to volunteer at one of our Morton Plant Mease hospitals? Do they enjoy helping others or have some free time during the week? Have them call our office at (727) 734-6262 for more information.

Camp Living Springs

This year, Camp Living Springs is the weekend of October 18-20. The camp is a weekend adult cancer retreat featuring entertainment, crafts and many other activities. It's offered at no cost to participants. For more information, call the Morton Plant Volunteer Resources Department at (727) 461-8010.

We want to give a special "thank you" to all our front lobby desk and tram volunteers for your patience, understanding and overall dedication during several hospital changes and new construction, and the new security policy with metal detectors.

It's been confusing for our customers and patients and we appreciate all you do to support us!

Dress Code Reminder:

Morton Plant Mease Volunteers wear a blue uniform top and tan/khaki slacks. No denim of any color, skinnies, jeggings, leggings or cargo pants are permitted. If you need to wear a shirt under the blue-buttoned or zippered top, it should be white.

Only volunteers on the vans or trams are allowed to wear khaki shorts.

Shoes must be closed-toed, non-skid and clean.

ID name badges must be worn. No stickers (except flu), pins or writing on the badge.

Please remember that each one of you are representing all of our wonderful team of volunteers at each hospital.
